**Re: Notice of Abandonment mailed on 10/25/2001**

Dear Doshic,

Further to our telephone conversation of today, attached please find a copy of the Power of Attorney, which was filed March 22, 2000, together with a copy of the stamped postcard having a serial number 09/117,406. Also attached is a copy of a stamped postcard dated July 24, 1998 acknowledging filing of the application and assigning said application with the Serial Number 09/117,406.

Only on receipt of a Final Office Action mailed August 22, 2000 did we realize that there was an error. We contacted Examiner L. Ngo on November 15, 2000 notifying him of the error. We then received a telephone call from Examiner Reip telling us the Power of Attorney and Revocation of Prior Powers filed March 22, 2000 was incorrect and notifying us of the correct Serial Number. We filed replacement documents including an Oath and Declaration and Power of attorney and Revocation of Prior Powers on January 11, 2001.

We did not receive any communication from Darby & Darby regarding either Serial Number after January 11, 2000. This communication informed us that they had not received the Filing Receipt even though we had made several requests for it. Therefore we had no reason to believe that Darby & Darby received a Notice of Missing Parts on April 19, 2000.

As per our telephone conversation we will contact you next week in order to try and resolve this matter.

Yours sincerely,

Naomi Liver
